Omahawks Auction
Pre-Registration Instructions

Auction Rules

1. Items will be sold in the order received. Pre-registered items will be numbered and sold first in the order received. Items registered at the door will be sold after pre-registered items.

2. Seller may protect himself by designating a minimum selling price. This minimum may be reduced by the seller at the time of sale if the minimum cannot be met.

3. Seller will pay a 10% fee (minimum of $2.50) for each item sold and a $3.00 fee for each unsold item. This fee will be collected at the time of check-out and will be shown on the sellers' invoice.

4. The minimum bid for each item is $15.00. Items should be grouped to assure the item will sell at or above that minimum. Multiple Items will NOT be combined at the time of sale to meet the $15.00 minimum. Items not getting a $15.00 minimum bid will be marked as "No Sale" and the $3.00 fee will be assessed to the seller.

5. Payment will be by cash, check or credit card. Note that a 3% charge will be added to credit card transactions to cover required fees.

6. Buyers and sellers are responsible for removing items from the premises upon completion of the auction. Any items not collected by the buyer/seller at the end of the auction will be disposed of at the discretion of the Auction Coordinator.
